Dear Chairman Isenberg:

As a California resident, I love the outdoors and I would like to be able to use them. If more marine reserves are created I won't be able to explore and have fun in our beautiful outdoors.

I urge you and the other members of the MLPA Initiative Blue Ribbon Task Force to not support a package of Marine Protected Areas. Jet skis do little to no harm and there are many people in the sport who would be very dissapointed of thes packages are passed.

Sincerely,

Kyle Dreyer
